## ONTARIO INTERNATIONAL AIRPORT

### *(Part of Los Angeles World Airports)*

**Ontario International Airport (ONT)** is a medium-hub, full-service airport with commercial jet service to major U.S. cities and through service to many international destinations. ONT is located in the Inland Empire, approximately 35 miles east of downtown Los Angeles in the center of Southern California. The airport is the centerpiece of one of the fastest-growing transportation regions in the United States.
